

Dear

My name is _____ the Elf and I am here to play,
But before the fun begins I have something very important to say.

Santa Claus is fun, and Christmas elves are too,
But Christmas is really about how much God loves YOU!

He loves us so much that He sent His only Son,
Baby Jesus was born a Savior for everyone.

Jesus is better than Santa could ever be,
He died on a cross to save you and to save me.

Whether you're naughty or nice, Jesus forgives our sin,
It's the world's greatest gift that has ever been!

Each day of December you must find where I hide,
A part of the Christmas story you will find by my side.

Put them in order as you receive them each day,
Read their words and remember them as you pray.

On Christmas Day the whole story you will see,
Hallelujah! Christ Jesus is born for you and for me!

Love,

the Elf
